

Field Trip Saturday, March 12th 2016

IMPORTANT CHANGE !

Sorry to spring this on everyone, but Darryl Patton has changed our field trip destination to DeSoto State Park. Meeting time there is still 1PM to 1:15PM. He has asked us to call his cell or text his phone when we get there. His number is 256-504-1603 for anyone who doesn't caravan with us. I am changing the leave time from noon to 11AM. He is no longer doing his class in Gadsden. He has promised some freebies to make up to us.

Originally this was our plan:

Saturday, March 12 Herbal/Medicinal Plant walk with Darryl Patton.

~~**Meet at Lowes in Trussville at noon.** We will caravan to Noccalula Falls and meet Darryl Patton at 1 pm at the Wedding Chapel.~~ See

www.thesouthernherbalist.com for more information about Darryl Patton. Questions: Linda Sherk 205-672-9779(home) or cell 205-415-1643.

There are 3 changes:

1. our destination is now DeSoto State Park
2. time we leave if you plan to caravan is 11AM still meet at Lowes
3. Meet Darryl at DeSoto State Park by calling his cell phone when you arrive.
